## Long beanie

Featuring a trendy look, it wraps around the head without gripping tightly.

Sustainable synthetic fibre that keeps you warm and respects environment.

K-loop tracking collection.

100% Polylana® (50% recycled polyester / 50% polyester). Long double-ribbed beanie. Polylana® fibre feels as soft and pleasant as alternative to acrylic and has a low environmental impact, requiring less energy, water and CO2 emissions for its production. Polylana® yarn is Impact Aware™, guaranteeing a 100% transparent and responsible production over the entire production chain, including the Aware™ blockchain technology which can be used to verify the authenticity of the Polylana® fibre. A QR label with a QR code provides access to the Aware™ platform for the authentication of certifications using a smartphone.
